

WELCOME

to the best Faculty of Economics in Slovakia

University Library

University Library TUKE is a very pleasant place to relax or study. Access to the library is only allowed with the ISIC card. Students can read exhibited publications or book another publications from the online catalog via a library page. On the first floor there is a scanner accessible to all students. All the computers in library are also accessible to all the students. On the ground floor there is a Copycentre, a buffet and storage space.

(www.lib.tuke.sk)

Department of Languages (DoL)

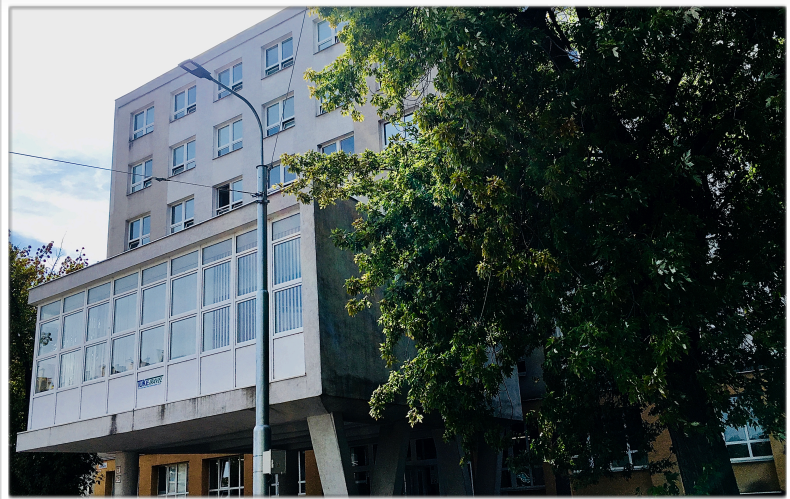

DoL provides language classes. You can find it in the Faculty of Civil Engineering building (Vysokoškolská 4 st.) 1st floor to the left. Foreign language classes will take place in this building, also at the Božena Němcová's dormitory or in the building of our faculty, depending on which group you belong to.

(web.tuke.sk/kj)

Department of Physical Education

DoPE provides Physical Education classes. You can also find them in the Faculty of Civil Engineering building (Vysokoškolská 4 st.) on the ground floor to the left. Depending on which sport you choose, you will be informed where to attend the class.

(ktv.tuke.sk)

Classrooms at Faculty of Economics

Most of the lessons will be held at the Faculty of Economics building at Nĕmcova Street 32. In the timetable you have a classroom number for each subject on the left. The initial classroom number also determines the floor where the classroom is located.

For example, the Financial Markets lesson has a 412 number, so you can find the classroom on the 4th floor.

Lecture Hall

The abbreviation ZP (Združené posluchárne) in the timetable refers to the Lecture Hall, where most lectures will be held. ZP are located next to the University Library (see the map).

Students Services Department

Every day (except Thursdays) from 8: 30-11: 30, you can visit the Students Services Department, where you can find most of the answers to your questions and issues related to the study.

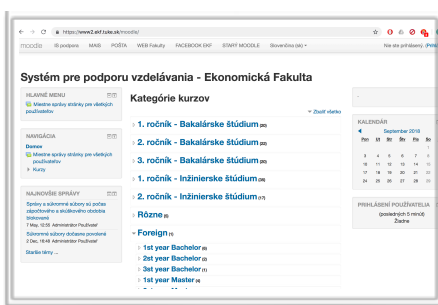

Moodle

Via MOODLE platform, the lecturer publishes backgrounds, notes and presentations for lectures or seminars.

News and information are published at discussion forum publishes information about lectures or seminars.

(www2.ekf.tuke.sk)

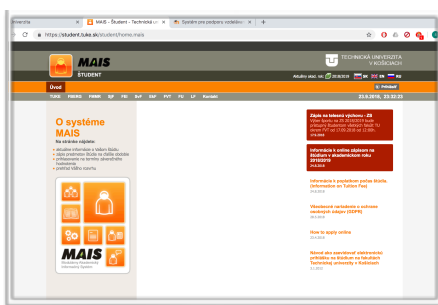

MAIS

MAIS system is used for applying for exams, applying for subjects, checking exams results, checking awarded scholarships or information about dormitory.

You can also find here information about the lectures.

If you want to have MAIS on your mobile, just download the MAIS Student app. (www.student.tuke.sk)

Informational support

Faculty of Economics: www.ekf.tuke.sk

Technical University: www.tuke.sk
