# Student Testimonials

- „What I liked most was the balance of very interesting classes and class work, but also amazing cultural visits to museums and free time to enjoy with people from all around the world!“

Andrés, Tec de Monterrey (Mexico)

- „Not only did we have an opportunity to learn from a variety of Professors and Businesses that are experts in their fields, they brought with them international experience and knowledge about how to create and promote your brand to stand out. If you are seeking an experience that's different from the rest, get onboard with HWR Berlin and reach that goal of standing out in your field too!“

Sally, Curtin University (Australia)
