Haaga-Helia International Teacher week

Theme: Open doors to future careers

Haaga-Helia is inviting teachers from our partner universities to come and teach on the theme: **Open doors to future careers.**

What are the current trends in working life and entrepreneurship? What are the competences needed by today's employees? How is this reflected in the light of ethics, responsibility and sustainability? The theme can be interpreted broadly and are intended for bachelor level.

Haaga-Helia is looking for lectures in the following competence areas:

- Analytics and Development
- Corporate Planning
- Digital Services
- Economics and Finance
- Entrepreneurship
- Hospitality Business
- HR and Leadership
- ICT and Business
- ICT-Infra and Cloud Services
- Journalism
- Languages and Internationality
- Law
- Marketing
- Physical Activity and Wellbeing,
- Sales and Communications
- Service Business
- Software Development
- Sports
- Tourism Business
